

.BIZ – Terms and Conditions

In addition to your registration agreement, the .BIZ Registry-Registrar Agreement (“**RRA**”) terms and conditions set out here shall apply. In the event of any inconsistency between the terms of your registration agreement and the terms set out here, the RRA terms shall prevail.

1. Each registered name holder agrees to indemnify, defend and hold harmless the registry operator, and its subcontractors, directors, officers, employees, affiliates and agents of each of them from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses, arising out of or relating to the registered name holder’s domain name registration. This indemnification obligation shall survive the termination or expiration of the registration agreement.

2. Each registered name holder shall comply with:
 - a. ICANN standards, policies, procedures, and practices for which the registry operator has monitoring responsibility in accordance with the registry agreement entered into between the registry operator and ICANN for the operation of the .BIZ TLD, as the same may be amended from time to time (the “**Registry Agreement**”) or any other arrangement with ICANN; and
 - b. Operational standards, policies, procedures, and practices for the .BIZ TLD as set forth in the Registry Agreement and as established from time to time by the registry operator in a non- arbitrary manner and applicable to all registrars, including affiliates of the registry operator, and consistent with ICANN’s standards, policies, procedures, and practices and the registry operator’s Registry Agreement with ICANN. Among the registry operator’s operational standards, policies, procedures, and practices are those set forth in Exhibit A. Any additional or revised registry operator operational standards, policies, procedures, and practices for the .BIZ TLD shall be effective upon thirty days notice by the registry operator to the registrar.

Exhibit A

1. The registrant shall ensure that all data provided in the domain name registration application is true, correct, up to date and complete.

2. The registrant certifies that, to the best of its knowledge:
 - a. The registered domain name will be used primarily for bona fide business or commercial purposes and not (i) exclusively for personal use; or (ii) solely for the purposes of (1) selling, trading or leasing the domain name for compensation, or (2) the unsolicited offering to sell, trade or lease the domain name for compensation;
 - b. Such registrant has the authority to enter into the registration agreement; and
 - c. The registered domain name is reasonably related to such registrant's business or intended commercial purpose at the time of registration.

3. The registrant acknowledges having read and understood and agrees to be bound by the terms and conditions of the following documents, as they may be amended from time to time, which are hereby incorporated and made an integral part of this Agreement:
 - a. The Uniform Domain Name Dispute Resolution Policy, currently available at <http://www.icann.org/udrp/udrp.htm>; and
 - b. The Restrictions Dispute Resolution Criteria and Rules, currently available at <http://www.neulevel.biz.ardp/docs/rdrp.html>.

4. The registrant acknowledges and agrees that the registry operator reserves the right to deny, cancel, place on registry-lock or hold, or transfer any registration that it deems necessary, in its discretion; (1) to protect the integrity and stability of the registry; (2) to comply with any applicable laws, government rules or requirements, requests of law enforcement, in compliance with any dispute resolution process; (3) to avoid any liability, civil or criminal, on the part of the registry operator, as well as its affiliates, subsidiaries, officers, directors, employees and stockholders; (4) for violations of the RRA and its Exhibits; or (5) to correct mistakes made by the registry operator or any registrar in connection with a domain name registration. The registry operator also reserves the right to lock or place on hold a domain name during resolution of a dispute.
