

## **.JOBS – Terms and Conditions**

In addition to your registration agreement, the .JOBS Registry-Registrar Agreement (“**RRA**”) terms and conditions set out here shall apply. In the event of any inconsistency between the terms of your registration agreement and the terms set out here, the RRA terms shall prevail.

1. The registered name holder agrees to the .jobs RRA, as amended from time to time at the sole discretion of the registry operator.
2. The registered name holder represents and warrants that the registered name holder, during the application for the registered name and at all times during the existence of the registered name in the registry database, complies with: (i) the registrant eligibility requirements as provided by the registry operator and as modified from time to time; and (ii) the .jobs domain use restrictions as provided by the registry operator and as modified from time to time. The registrant eligibility requirements and the use restrictions will be posted on the registry operator’s website.
3. The registered name holder acknowledges that the registered name holder has read, understands and agrees to be bound by the .jobs RRA, the registrant eligibility requirements and the use restrictions.
4. The registered name holder acknowledges and agrees that the registry operator, in its sole discretion, may revoke, cancel, deny, transfer, suspend, terminate or otherwise modify the rights of a registered name holder, without any notice thereto, in the event of non-compliance by the registered name holder with any provision of the registrar’s registration agreement, the RRA, the registrant eligibility requirements and the use restrictions, including but not limited to submission or use of untruthful, incomplete or fraudulent registration information during the application process or subsequently thereto.
5. The registered name holder agrees to indemnify, defend and hold harmless the registry operator and its subcontractors, shareholders, directors, officers, employees, affiliates and agents of each of them from and against any and all claims, damages, liabilities, costs and expenses, including reasonable legal fees and expenses, arising out of or relating to the registered name holder’s domain name registration. This indemnification obligation shall survive the termination or expiration of the registration agreement.
