.OKINAWA AND RYUKYU (the "Business Ralliart, Inc.") – Terms and Conditions

In addition to your registration agreement, the Business Ralliart, Inc. Registry-Registrar Agreement ("**RRA**") terms and conditions set out here shall apply. In the event of any inconsistency between the terms of your registration agreement and the terms set out here, the RRA terms shall prevail.

1. The registrant shall comply with all applicable laws and government regulations.

2. The registrant shall comply with all ICANN standards, policies, procedures, and practices for which Registry has monitoring responsibility in accordance with the Registry Agreement or other arrangement with ICANN.

3. The registrant shall comply with all operational standards, policies, procedures, and practices for the Registry System established from time to time by Registry.

4. The registrar shall require registrants to indemnify, defend and hold harmless the Registry,including its directors, officers, employees, subcontractors and agents, to the maximum extent required by law, from and against any claims, damages, liabilities, costs and expenses arising out of or relating to any application and/or request for the registration of a Domain Name made hereunder, the registration of a Domain Name and/or the use of a Domain Name; such obligation to indemnify, defend and hold harmless the Registry shall survive the termination of the Registrant Agreement.

5. The registrant shall update or correct registration information during the registration term of a Registered Name.

6. The registrant shall acknowledge and accept that the Registry may make use of such Registrant's Personal Data, which use includes the processing, copying, publishing, modifying and making available through the WHOIS Service, of any such data, and authorize its subcontractors and agents to do the same, in accordance and compliance with relevant applicable data protection and privacy legislation, and for the sole purposes of allowing the Registrar to render the Domain Name Registration Services hereunder.

7. The registrant shall adhere to Domain Name Dispute resolution proceedings under the UDRP and URS System concerning registered Domain Names, where applicable.

8. The registrant shall agree to be bound by the terms and conditions of the initial launch phases of the TLD, the Sunrise and Land Rush periods, and the corresponding dispute resolution processes, as set out in the TLD Policies, and shall acknowledge that Registry has no liability of any kind for any loss or liability resulting from the proceedings and processes relating to the Sunrise or the Land Rush periods, including, but not limited to: (a) the ability or inability

of a registrant to obtain a domain name registration during these periods, and (b) the results of any dispute procedures.

9. The registrant shall be prohibited from using a Registered Name for distributing malware, abusively operating botnets, phishing, piracy, trademark or copyright infringement, fraudulent or deceptive practices, counterfeiting or otherwise engaging in activity contrary to applicable law.

10. The registrant shall acknowledge and agree that Registry reserves the right to deny, cancel or transfer any registration or transaction, or place any domain name(s) on registry lock, hold or similar status, that it deems necessary, in its discretion; (1) to protect the integrity and stability of the registry; (2) to comply with any applicable laws, government rules or requirements, requests of law enforcement, or any dispute resolution process; (3) to avoid any liability, civil or criminal, on the part of Registry, as well as its affiliates, subsidiaries, officers, directors, and employees; (4) per the terms of the registration agreement; (5) in the event of an occurrence of one of the prohibited activities listed in Article 5.4.9. or (6) to correct mistakes made by Registry or any Registrar in connection with a domain name registration. Registry also reserves the right to place upon registry lock, hold or similar status a domain name during resolution of a dispute.
